# FIND YOUR NEXT SPRING READS

**THE FOX HUNT**  
by Caitlin Breese, Electric Monkey, £16.99  
Enter the University, where an ancient magic underpins the ruling elite society – The Turnbull Club. But when new student Emma Durran falls for their glamorous leader, she finds herself ripped from her mortal life and transformed into a fox maiden. Emma is determined to claw back her life and topple the Turnbulls, but at what cost? A vivid and heart-pounding dark academia adventure.

**ARCANA: THE LOST HEIRS**  
by Sam Prentice-Jones, Hot Key Books, £14.99  
James, Daphne, Koko, and Sunny have always known the Arcana – a secret society of witches – as home. But Eli Jones never even knew it existed, until he meets and falls for James. Inducted into the Arcana, Eli alongside his new friends discover that beneath the surface something sinister is stirring. A gripping YA graphic novel with a magical witchy twist, inspired by a tarot deck.

**PIPER AT THE GATES OF DUSK**  
by Patrick Ness, Walker Books, £16.99  
Return to the world of Chaga walking with a brand-new trilogy from award-winning author Patrick Ness. It's been twenty-odd years since the war that almost tore New World apart. Todd and Viola's sons Ben and one child start to go missing, the brothers find themselves at the centre of a new battle. A gripping YA dystopian adventure from a masterful storyteller.

**THE WYCHERLEYS: LOVE AND OTHER CURSES**  
by Annabel Avery, Simon & Schuster, £8.99  
Isla Wycherley and her tethered magical match Jules Nightly are off to cover college to learn advanced magic. But their fate also on a secret mission: to discover the Lost Quarter of the college, fight their own coven of twelve and try to find a way to bring back the Old Magic. Full of intrigue, vivid world-building and swoon-worthy romance, this sequel sparkles like the diamond of the season.

**BETH IS DEAD**  
by Katie Bernet, Scholastic, £8.99  
Think you know the story of Little Women? Think again. When Jo, Meg and their sisters are all suspects in the murder of a murderer – that of their sister Beth – how do they get together? This contemporary murder-mystery reimagining of Louisa May Alcott's classic siblings' tale is dark, deadly and deeply entertaining.
